

# ANGELA STAVROPOULOS

YOUR BUSINESS NAVIGATOR

By understanding all facets of the client's business, I can offer tailored solutions and work closely with them to achieve their goals.

Angela has more than 20 years' experience in accounting and taxation services. She assists clients with their business planning, budgeting, business structuring, financial modelling and analysis and tax planning strategies.

Angela also co-manages the firm's Medical Services Division. She works with many different types of practitioners and understands their unique professional pressures.
