

# Corporate Advisory Services

In today's business world it's crucial for an organisation to have effective financial audit and risk management systems. Our services in this area have been designed to add significant value while helping you to navigate your way through the complex legislative and regulatory environment.

## AFSL Reporting and Audits

Australian Financial Services (AFS) licensees must meet stringent AFSL reporting obligations. Our experienced advisors can assist with both audit and reporting requirements.

Pilot can assist with audits and review of your financial obligations under the licence as well as providing practical advice on developing policies and procedures to ensure compliance.

## External Audit

Pilot conduct external audits of all sizes, supported by experienced staff and our own unique Audit Methodology in compliance with Australian Auditing Standards. Audits and reviews are highly valuable in providing management and owners with assurance and advice on operations, internal controls and financial reporting.

Our audit reports can provide you with insight into the operations and finances of your business. We pride ourselves on the technical level and extent of our audit IP which we continue to develop in-house. It enables us to offer a genuinely risk-based and efficient approach based upon a commercial understanding of the risk relevant to your organisation. It enables us to adapt and develop bespoke audit solutions to issues which arise.

## Internal Audit

Pilot undertakes internal audits in the Public and Private Sectors. These audits seek to assist clients in managing key risks, safeguarding assets, compliance with regulatory requirements, and enhancing operational efficiency.

We work closely with those charged with governance, and organisational management, to obtain a deep understanding of your organisation and to develop tailored solutions specific to your requirements.

## QBCC Reporting and Audits

We assist clients in the building and construction industry to ensure their Queensland Building and Construction Commission (QBCC) compliance. Our services range from conducting audits to assisting clients in meeting reporting requirements to ensure their QBCC licensing obligations are met.

## Contact your Pilot advisor on 07 3023 1300

We work closely with clients to achieve their objectives by combining our tried and tested processes with our commercial acumen.
